***** **RULES & REGULATIONS** *****

- 1) Cars must be on show field by 12:00 Noon.

 Example: 1968 GTO must GO in GTO class not as 1965-1969 Pontiac.
- 3) Classes may be combined or eliminated as attendance dictates; the decision of the show chairman is final for all classifications of Stock and Modified entries and for combining or eliminating classes.
- 4) Appeals regarding classification and/or protests should be brought to the attention of the show chairman.
- 5) All cars are expected to be driven onto show field.
- 6) Displays: 1. Jacking up of cars or removal of the wheels for display is not allowed. 2. Mirrors are allowed under cars but must be completely under cars to avoid trip hazard. 3. No other displays are allowed during judging except a 2'x3' area in trunk.
 EXAMPLE: Blankets, clothes; ETC...
- 7) An unusual number of modifications may move a car into modified class.
- 8) As it is impossible to write an infallible set of rules, when certain conflicts or questions arise, the show chairman will make a final decision.
- 9) It is strongly suggested that each car on the show field have its own fire extinguisher.
- 10) Street Rod bodies must be Pontiac or GMC
- 11) Any other concerns will be resolved by the Show Committee
